Challenging The Safety Quo

Challenging the Safety Quo makes the case for change based on stagnating performance, identifies areas where there are problems and proposes alternative ways to progress.

Challenging the Safety Quo - 1st Edition - Craig Marriott

...

Craig aims (as the title of his book suggests) to challenge the status quo within safety, which he calls the 'safety quo'. According to him, this is necessary when we want to achieve real progress. Apart from that, the word 'quo' means 'where to' in Latin.

Challenging the Safety Quo: Marriott, Craig: 9781138558762 ...

Challenging the Safety Quo makes the case for change based on stagnating performance, identifies areas where there are problems and proposes alternative ways to progress. Provocative but practical, it outlines the business benefits to be gained from putting in place the right approaches to managing safety, although not in the way traditionally presented by most safety managers.

Challenging the Safety Quo | Taylor & Francis Group

Craig Marriott is a senior safety professional with 25 years experience managing safety in high hazard industries, principally nuclear and petrochemical. His experience across process and personal safety, in both technical and leadership roles brings a unique combination of insights. He is renowned for pragmatic solutions and understands the balance required to manage safety with...

About - SafetyQuo.com | Challenging the Safety Quo

Rating: Challenging the Safety Quo pulls together the author's perspective on a collection of ideas known as "safety differently", which has been attributed to thinking coming out of Australia. It is clear many occupational safety and health professionals already contemplate safety in this way. All that Marriott and his fellow travellers have done is cleverly brand this approach and drive a ...
