NCEES FE exam information

The FE Exam is designed so there are more questions than you can complete in the time available, so your ability to answer questions efficiently is critical. Don't devote 80% of your time going through lessons only to find out you cannot answer half of the questions on a practice exam - IT'S A COMMON TRAP.

FE Study Exams - PPE Headquarters

The test states that they give you 6 hours. This actually rounds down to 5 hours and 20 minutes after the your breaks and introductory material. So you have 5 hours and 20 minutes to answer 110 questions. You'll basically see 50 questions on general engineering in the morning and about 60 questions more civil specific in the afternoon.

Free FE Review Material | Civil Engineering Academy

Then start the problems that you can complete within the allotted time. Eventually, you will only have the problems you are not confident with. ... I used the FE Environmental Practice Exam from NCEES as my main reference. I based my study on the type of exercises this book presents. The actual exam was very similar, so I recommend buying this one.
