Tim Lebbon's 2013 Star Wars novel Dawn of the Jedi: Into the Void is difficult to rate or review. First of all, this is a Star Wars novel, because we explore the Force and an early version of the Jedi, called the Je'daii. That's why I chose this work, I like ancient history, I like Star Wars, so how far back in the series can we go?

A long time ago, on a launcher far far away, you couldn't play Star Wars: The Old Republic on Steam. But the old EA order has given way to the new, and for the past month, a fleet of games once exclusive to Origin have found their way into Valve's orbit. Today, The Old Republic joined that armada, bringing the venerable MMORPG alongside its Star Wars brethren on Steam for the very first time.
